

## Award for Palliative Care Leadership Programmes 2019 - Announcement -

We are delighted to announce the leadership award in palliative care for the second time. We are looking for evidence of leadership capacity building programmes worldwide that are striving to develop palliative care at a time when it is needed most. These initiatives could take place in your hospice, hospital or other palliative care institution.

The 'Award for Palliative Care Leadership Programmes' will be awarded to a training programme which best fulfills the stipulated criteria.

An independent jury of internationally renowned experts from the European Association of Palliative Care (EAPC) and the European Palliative Care Academy (EUPCA) will select the winner.

The winner will be announced at an award ceremony that will take place during the EAPC congress in Berlin 2019. A representative of the winning institution will receive registration, accommodation and travel costs to attend the three day conference and the ceremony.

If you believe that your institution fulfills our criteria and wish to be considered for this exciting award then we look forward to receiving your application by 4<sup>th</sup> November 2018.

**Institutions from all over the world are welcome to apply but must meet the following criteria:**

- Awareness and where possible evidence of a needs assessment which addresses national challenges
- Demonstrable evidence of national and/or international impact in palliative care
- Examples of accreditation or scientific awards, if any

- The ability to present a comprehensive leadership programme in palliative care which includes e.g. (project) management, leadership theory, decision-making, personal development, research
- A portfolio of evidence based teaching, (clinical) experience exchange, best practice that demonstrates a range of diverse and innovative teaching methods to enhance knowledge, skills, attitudes and integrate theory and practice
- Strong evidence of quality assurance and outcome measurement programmes to identify process and assess impact
- Demonstrable evidence of a multidisciplinary team in action
- Provide evidence of an infrastructure (facilities, course management, student support, alumni) which demonstrates sustainability
- A representative of the institution should be able and willing to take part in the 16th World Congress of the EAPC in Berlin

For more information: <http://www.eupca.eu/leadership-award/>

Or contact the EUPCA Coordinator Dr Gerrit Frerich: [coordination@eupca.eu](mailto:coordination@eupca.eu)

Please submit the application form (available on the website) and the explanation why the nominated programme should be considered (2 pages, max. 800 words, PDF document) to [coordination@eupca.eu](mailto:coordination@eupca.eu)

A curriculum or schedule may be attached to illustrate the course structure, where applicable (max. 4 pages, 2 MB, PDF).

**Deadline: 4<sup>th</sup> November 2018**
