

Statement of Intent of Employer

I herewith state that I strongly support the application of my employee,

_____ (please enter name), and will release him/her from work for being present at the four course weeks, which take place at the following times and places:

23. - 27.09.2019	University Clinic of Cologne/ Germany
03. - 07.02.2020	King's College of London/ United Kingdom
14. - 18.09.2020	Nicolaus Copernicus University, Torun/ Poland
07. - 11.06.2021	Hospice Casa Sperantei, Brasov/ Romania

I understand that in addition to the four course weeks, there will be an observational week between September 2019 and April 2021, for which I will also release my employee.

I understand that the Robert Bosch Stiftung has provided funding for the European Palliative Care Academy, which makes it possible to provide a highly subsidised course for specialists in palliative care. Costs that participants are expected to cover include travel, accommodation, the course fee (6.000 €) and personal expenses.

I will be able to financially contribute to the course, travel and accommodation costs of my employee.
The amount that I can contribute is _____ €.

I will not be able to contribute to the course costs of my employee.
